

AMENDED IN SENATE AUGUST 8, 2002

CALIFORNIA LEGISLATURE—2001–02 REGULAR SESSION

ASSEMBLY BILL

No. 2849

Introduced by Assembly Member Washington

February 25, 2002

An act to amend Sections 45103 and 45256 of the Education Code, relating to classified school employees.

LEGISLATIVE COUNSEL'S DIGEST

AB 2849, as amended, Washington. Classified school employees.

Existing

(1) *Existing* law requires the governing board of a school district or the personnel commission in a school district that has adopted the merit system to classify all employees and positions not requiring certification qualifications. These employees and positions are known as the classified service. Existing law exempts part-time playground positions from the classified service.

This bill would instead provide that part-time playground positions are not part of the classified service unless the employee in the position is otherwise employed in a classified position. The bill would also prohibit a school district from reducing the hours of, or terminating as a result of the implementation of the bill, a classified employee who was assigned to a part-time playground position as of June 1, 2002.

(2) *This bill would incorporate additional changes to Section 45103 of the Education Code proposed by AB 500, to be operative only if this bill and AB 500 are both enacted and become effective on or before January 1, 2003, and this bill is enacted last.*

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. It is the intent of the Legislature that, by granting
2 classified service status to employees who serve in part-time
3 playground positions and who also work in the same school district
4 in a classified position, parents and guardians who volunteer in
5 playground positions are not discouraged from volunteering.

6 SEC. 2. Section 45103 of the Education Code is amended to
7 read:

8 45103. (a) The governing board of any school district shall
9 employ persons for positions not requiring certification
